IDFPR Social Equity Criteria Lottery Withdrawal Form **Instructions and Process**

1. The applicant completes and emails the “Request to Withdraw” form to FPR.ConditionalAdultUseLicenses@Illinois.Gov;
2. The Department processes, approves, and removes the application from the Department’s licensing and application online system;
3. The Department will email the approved and signed “Request to Withdraw” form to the now-withdrawn applicant to the email address that submitted the initial request;
4. The Department will initiate the reversal of the credit card transaction associated with the original application. Please note that this may take a few days for the actual credit card charge to be reversed; and
5. Any individual associated with the now-withdrawn application can apply again, along with the payment of the \$250 application fee pursuant to [68 IAC 1291.410\(d\)](#). Note that the non-refundable application fee applies to all lottery submissions. Once the SECL lottery is conducted, the \$250 is non-refundable.
6. “Request to Withdraw” forms must be submitted 72 hours prior to the application window closing. This is so the Department can process the withdrawal request prior to the window’s close and to allow time to reapply if any individuals associated with the withdrawn application choose to do so.
