Social Equity Criteria Lottery List of Lottery Participants by BLS Region

The Illinois Department of Financial and Professional Regulation (“Department”) has finalized the below list of participants in the upcoming Social Equity Criteria Lottery (“SECL”). Participants are identified in the BLS Region in which they applied. The lottery will be conducted on Thursday, July 13, 2023 in coordination with the Illinois State Lottery and the results will be posted that same day.

Pursuant to [68 IAC 1291.400\(h\)](#), *“The publishing of the list of applicants to participate in the lottery, and any revised list, is not a final agency decision. Any opportunity to contest the list shall not be considered a rehearing or an action for administrative review.”*

| Term | Meaning |
|---------------------------|--|
| Proposed Entity Name | This is the name the applicant submitted as its “Proposed Entity Name” on the original application. Some applicants chose to use a business or corporate name, such as an LLC. Applicants were not required to have formed a business entity prior to submitting an application, therefore some applicants may be identified as placeholders like “TBD” or other generic proposed names. |
| Unique Application Number | The Unique Application Number (UAN) is the individual identification number associated with a singular, particular application. |
| Unique Lottery Number | <p>The Unique Lottery Number (ULN) is assigned to each entry in the SECL. The ULN number is similar to a commonly understood “lottery ball number” although the Illinois Lottery uses a highly advanced computer system and not actual lottery balls. Each UAN is assigned a ULN.</p> <p>The Illinois Lottery’s computer system uses a 9-digit number. Once the Department posts the Official Draw Results from the Illinois Lottery, the ULN number will be preceded by 6-8 zeros, depending on how many ULNs were needed for that particular BLS Region.</p> <p>For example, if your group has the ULN number “1”, the Illinois Lottery’s system will display it as “000000001”.</p> |

BLS Region 1: Bloomington – 1 Conditional License Available

| Proposed Entity Name | Unique Application Number | Unique Lottery Number |
|--------------------------------|----------------------------------|------------------------------|
| Bury Bird, LLC | 4301458 | 1 |
