Q. How many CPE credit hours are required for renewal?

A. A licensed CPA must complete 120 CPE credit hours per every three year renewal period. Of the 120 hours, at least 4 hours shall be courses covering the subject of professional ethics.

An Illinois licensed CPA who is also licensed in another state and whose primary residence is in that other state need only meet the CPE requirements of that state to satisfactorily meet Illinois’ CPE requirement.

A registered CPA is exempt from CPE requirements.

Q. During what time period must CPE be completed?

A. All CPE must be completed in the three years preceding expiration of the license. For example, the upcoming renewal, all CPE must have been completed between October 1, 2015 and September 30, 2018.

Q. This is my first time renewing my license as a CPA, do I need to complete 120 hours of CPE prior to the renewal deadline?

A. No, a renewal applicant shall not be required to comply with CPE requirements for the first renewal of a license as a CPA.

Q. I completed CPE in another state, will I be able to use it in Illinois?

A. Courses sponsored or approved by other states or other state CPA societies shall be considered approved, as set forth in 68 Ill. Admin. Code 1420.70(a). Out of state CPE that is not approved by another state or another state’s CPA society requires the licensee to complete an application seeking approval of the CPE and pay a fee. The link to the application is available here: <http://www.idfpr.com/renewals/apply/forms/F1868pa.pdf>

Q. How is CPE measured?

A. CPE is measured by program length, with one 50 minute period equal to one CPE credit. One-half CPE credits (equal to 25 minutes) are permitted after the first credit has been earned in a given CPE course. CPE that is part of the curriculum of a university, college or other educational institution shall be awarded CPE course credit at the rate of 15 credit hours for each semester hour, or 10 credit hours for each quarter hour, of school credit awarded.

4. The National Association of State Boards of Accountancy (NASBA);
5. Members of NASBA's National Registry of CPE Sponsors

7. All licensed CPE Sponsors. You can verify that a CPE Sponsor is licensed at www.idfpr.com’s License Lookup.

Q. Do I need to provide copies of CPE certificates of attendance for renewal?
