### **Results of the Qualifying Applicant Corrective Lottery for Conditional Licenses Per BLS Region**

The Qualifying Applicant Corrective Lottery, with 17 BLS Region drawings, was conducted on June 21, 2022 for up to 55 additional Conditional Adult Use Dispensing Organization Licenses (“Conditional License”). This corrective lottery was conducted pursuant to a court order, a copy of which is available [here](#). The order states: “Those who obtain winning positions in any of the lotteries shall be awarded conditional licenses, but only if they prevail on the merits of their substantive claims, or if the Department agrees they constitute qualified applicants with the threshold number of points.”

Below are the results of the Qualifying Applicant Corrective Lottery for each drawing by BLS Region. Each list identifies the applicants that have an opportunity to receive a Conditional License from that drawing. In order to receive a Conditional License, each applicant must prevail on the merits of its substantive claim(s) or be issued a Conditional Licenses by agreement of the Department.

Those applicants that have been selected for a Conditional License are subject to the statutory requirements of the principal officer and license limitations and tax compliance checks, available [here](#). An applicant’s failure to report to the Department that it has exceeded the statutory Conditional License limitations will result in the Department’s refusal to issue the Conditional License(s) to that applicant that may result from the Qualifying Applicant Corrective Lottery.
