PODIATRY MANDATORY REPORT

PODIATRIC MEDICAL LICENSING BOARD

GENERAL INSTRUCTIONS

Every insurance company that offers policies of professional liability insurance to persons licensed under the Illinois Podiatric Medical Practice Act or any other entity that seeks to indemnify the professional liability of a podiatric physician licensed under the Act shall report to the Podiatric Medical Licensing Board the settlement of any claim or cause of action, or final judgment rendered in any cause of action that alleged negligence in the furnishing of medical care by such licensed person when such settlement or final judgement is in favor of the plaintiff.

Reports must be filed with the Podiatric Medical Licensing Board in writing within 60 days after a determination that a report is required.

This report contains two parts.

Part 1 seeks basic information concerning the person making the report, the licensed individual who is the subject of the report, and any patient who may have been injured or endangered as a result of the licensed individual’s conduct or disability.

Part 2 seeks specific information concerning the conduct or disability of the licensed individual and any administrative or judicial action which may have resulted.

Both parts must be filled out completely. Where requested, **identify and attach explanatory documentation** which will be helpful to the Podiatric Medical Licensing Board in determining whether further investigation is warranted, except that no medical records may be revealed without the written consent of the patient.

The law requires that this report be kept strictly confidential. All communications regarding this report should be addressed only to authorized persons.

The law further provides that any individual or organization acting in good faith, and not in a willful and wanton manner, in complying with this law by providing any report or other information to the Board, or assisting in the investigation or preparation of such information, or by participating in proceedings of the Board, shall not, as a result of such actions, be subject to criminal prosecution or civil damages.
