NOTICE

The Illinois Department of Financial and Professional Regulation, Division of Banking (“the Division”), with respect to Independent Bankers’ Bank, with its principal place of business in Springfield, Illinois, (“the Bank”), finds as follows:

1. That the Bank is conducting its business in an unsafe and unsound manner, as described in that certain Notice of Intent to Take Possession and Control issued by the Division on November 30, 2009;
2. That the Division finds that the Bank will experience a disruption in its ability to process payments which will cause serious disruption in the payment processing ability of its respondent banks and their customers; and
3. That an emergency exists which may result in serious losses to the depositors of the Bank.

Therefore, pursuant to Section 52 of the Illinois Banking Act, 205 ILCS 5/52, at 5:00 p.m., December 18, 2009, the Division takes possession and control of Independent Bankers’ Bank and its assets for the purpose of reorganization or liquidation through receivership.

Dated: December 18, 2009
