PROCLAMATION TO INVOKE EMERGENCY POWERS TO MODIFY PROFESSIONAL LICENSE AND CERTIFICATION STATUTES AND REGULATIONS FOR ILLINOIS LICENSED PODIATRISTS TO ADMINISTER COVID-19 VACCINES

WHEREAS, pursuant to Section 7 of the Illinois Emergency Management Agency Act (20 ILCS 3305/7), the Governor of the State of Illinois has issued a proclamation declaring that a public health emergency exists related to the COVID-19 outbreak in the State of Illinois; and

WHEREAS, as the Governor of the State of Illinois, pursuant to Sections 7(1), 7(2), 7(8), and 7(12) of the Illinois Emergency Management Agency Act, 20 ILCS 3305, ordered during the duration of the Gubernatorial Disaster Proclamations, the requirement in the Section 2105-400 of the Civil Administrative Code, 20 ILCS 2105-400, and its accompanying regulations, authorizing the Secretary of the Department of Financial and Professional Regulation (“IDFPR” or “Department”) to take certain actions to increase the number of licensed professionals responding to the disaster is suspended to the extent it limits the Secretary’s authority to those persons working under the direction of the Illinois Emergency Management Agency (“IEMA”) and the Illinois Department of Public Health (“IDPH”) pursuant to a declared disaster by the Governor; and

WHEREAS, the Governor further ordered that the requirement that the Secretary shall only exercise this authority “in coordination with the Illinois Emergency Management Agency and the Department of Public Health” remains in effect and that in exercising this authority, the Secretary shall work closely with the Directors of IEMA and IDPH to ensure any impacted licensed professionals are aiding in the response to the disaster; and

WHEREAS, on March 16, 2021, the U.S. Department of Health and Human Services, Office of the Secretary issued a Seventh Amendment to Declaration Under the Public Readiness and Emergency Preparedness Act for Medical Countermeasures Against COVID–19 (HHS Seventh Amendment) available at <https://www.federalregister.gov/documents/2021/03/16/2021-05401/seventh-amendment-to-declaration-under-the-public-readiness-and-emergency-preparedness-act-for>, which recommends authorizing podiatrists to administer FDA-authorized or licensed COVID-19 vaccines, under certain conditions; and

WHEREAS, Section 2105-400(a)(1) of the Civil Administrative Code (20 ILCS 2105) authorizes the Secretary of the IDFPR to suspend the requirements for permanent licensure of persons who

are licensed in another state, and modify the scope of practice restrictions under any licensing act administered by the Department; and

WHEREAS, the Secretary of IDFPR has coordinated a response to the declared public health emergency with IEMA and IDPH, including by expanding the scope of practice of optometrists in order to respond to the COVID-19 pandemic; and

WHEREAS, under the Podiatric Medical Practice Act, 225 ILCS 100/5, “podiatric medicine” or “podiatry” means “the diagnosis, medical, physical, or surgical treatment of the ailments of the human foot, including amputations as defined in the”; and

THEREFORE, the Secretary of the Illinois Department of Financial and Professional Regulation, Deborah Hagan, hereby orders the following, pursuant to her authority under 20 ILCS 2105-400(a)(1):

1. An Illinois licensed podiatrist’s scope of practice under the Podiatric Medical Practice Act of 1987, 225 ILCS 100, is expanded to administer COVID-19 vaccines to persons 16 years of age and older pursuant to a standing order and pursuant to the following:
 - a. The vaccine must be authorized, approved, or licensed by the FDA;
 - b. The vaccination must be administered according to ACIP’s COVID–19 vaccine recommendation(s);
 - c. The licensed podiatrist must have documentation of completion of the Centers for Disease Control and Prevention COVID–19 vaccine training modules;
 - d. The licensed podiatrist must have documentation of an observation period by a currently practicing healthcare professional experienced in administering intramuscular injections, and for whom administering vaccinations is in their ordinary scope of practice, who confirms competency of the healthcare provider in preparation and administration of the COVID–19 vaccines to be administered;
 - e. The licensed podiatrist must have a current certificate in basic cardiopulmonary resuscitation;
 - f. The licensed podiatrist must comply with recordkeeping and reporting requirements of the jurisdiction in which he or she administers vaccines, including informing the patient’s primary-care provider when available, submitting the required immunization information to the State or local immunization information system (vaccine registry), complying with requirements with respect to reporting adverse events, and complying with requirements whereby the person administering a vaccine must review the vaccine registry or other vaccination records prior to administering a vaccine;
 - g. The licensed podiatrist must comply with any applicable requirements (or conditions of use) as set forth in the Centers for Disease Control and Prevention (CDC) COVID– 19 vaccination provider agreement and any other federal requirements that apply to the administration of COVID–19 vaccines; and
 - h. The licensed podiatrist must comply with recordkeeping and reporting requirements of the jurisdiction in which he or she administers vaccines, including informing the patient’s primary-care provider within 30 days after administration of a vaccine, submitting the required immunization information to the State or local immunization information system (vaccine registry), complying with requirements with respect to reporting adverse events, and complying with requirements whereby

the person administering a vaccine must review the vaccine registry or other vaccination records prior to administering a vaccine.

2. Licensees covered by this Proclamation must be appropriately trained and are subject to all provisions of the Podiatric Medical Practice Act of 1987 and its Rules, as applicable, relating to the standards of care.
3. Licensees covered by this Proclamation are limited to working (a) under the direction of IEMA or IDPH; or (b) in a state-licensed long-term care facility, state regulated hospital, or federally qualified health center (FQHC).
4. This Order does not apply to any licensee who holds an Illinois license as a podiatrist that is revoked, suspended, or otherwise encumbered.
5. This Order is effective upon signature and shall continue in effect until throughout the duration of the Gubernatorial Disaster Proclamations.
