Credit Union Notice of Office Hours and Credit Union Annual Membership Meetings

Effective immediately, the Illinois Department of Financial and Professional Regulation (Department) state credit union examiners and office personnel will be working remotely. All employees have access to their email and voicemail and will respond to questions during normal work hours. If you need to speak with an examiner or anyone from the Department's Credit Union Section, please leave a voicemail and your phone call will be returned as soon as possible.

If an examination was in process, or was scheduled to begin shortly, your examiner will be in contact.

Also, if necessary, please submit a request to postpone the credit union's 2020 annual meeting to the Department's Credit Union Section. Section 19 of the Credit Union Act ([205 ILCS 305/19 of the Illinois Credit Union Act](#)) allows credit unions the flexibility to request months other than January, February, and March to hold the annual membership meeting. If the annual meeting will not be held during the aforementioned months, please submit a waiver request to the Department (via email to FPR.CreditUnion@illinois.gov) that indicates an alternative date the meeting could be held. If the date arrives and the credit union is still unable to hold the meeting, please notify the Credit Union Section.
