The APN may only prescribe and dispense within the scope of practice of the collaborating physician. All prescriptions written and signed by an advanced practice nurse shall indicate the name of the collaborating physician. The collaborating physician’s signature is not required. The advanced practice nurse shall sign his/her own name. An APN may receive and dispense samples per the collaborative agreement. Medication orders shall be reviewed periodically by the collaborating physician.

If the collaborating physician has delegated prescriptive authority to the advanced practice nurse, the written collaborative agreement shall include a statement indicating the supervising physician has delegated prescriptive authority for legend drugs and/or Schedule II, III, IV, or V controlled substances.
