### **Results of the February 8, 2023 Qualifying Applicant Corrective Lottery for Conditional Licenses for BLS Region #12 (St. Louis)**

The February 8, 2023 Qualifying Applicant Corrective Lottery in BLS Region #12 (St. Louis), was conducted for 3 (three) available Conditional Adult Use Dispensing Organization Licenses (“Conditional License”). This corrective lottery was conducted pursuant to a court order, a copy of which is available [here](#). The order states: “For the reasons stated on the record, this case is remanded to the Department of Financial and Professional Regulation to hold a corrective lottery after considering Plaintiffs’ input regarding the proper methodology for doing so, including without limitation with respect to the number of entries to include and the placement of those entries.”

Below are the results of the February 8, 2023 Qualifying Applicant Corrective Lottery for the BLS Region #12 (St. Louis). The list below identifies the applicant(s) that have an opportunity to receive a Conditional License from that drawing, subject to all other statutory and regulatory requirements. If the Unique Lottery Number, Unique Application Number, and Applicant Name are identified as “blank”, that means that that participant represented a blank entry.

Those applicants that have been selected for a Conditional License are subject to the statutory requirements of the principal officer and license limitations and tax compliance checks, available [here](#). An applicant’s failure to report to the Department that it has exceeded the statutory Conditional License limitations will result in the Department’s refusal to issue the Conditional License(s) to that applicant that may result from the Qualifying Applicant Corrective Lottery.
